

SCHOOL COUNCIL

Our School Council provides the governance for the School and is appointed by and responsible to the Uniting Church in Australia (NSW Synod).

In consultation with the Headmaster, the Knox Grammar School Council provides leadership and guidance in areas associated with the School's Master Plan, Building Program, Financial Management, Risk Management and Strategic Vision.

The members of the School Council are professionals within their chosen fields (for example, church, business, education, finance, infrastructure, law, media and technology). Some Council members have had a long association with the School either as parents and/or Old Boys.

Council members generously volunteer their time, knowledge and expertise to uphold the Mission of the School which seeks to be an exemplary school developing, within a caring Christian environment, young men of integrity, wisdom, compassion and faith, men with a sure knowledge of who they are and how they should live.
