

**KNOX GRAMMAR SCHOOL**John W Weeks **Headmaster**

18 February 2008

MESSAGE TO PARENTS

As you may be aware a second person has been charged today with sexual offences against students at the school in the mid-1980s.

A former teacher at the school, Barrie Stewart, appeared in Hornsby Local Court.

The Police have indicated that they have received new information from the public since the initial arrest yesterday.

I would like to make it clear that the school fully supports the view that anyone who has any information which would assist Police in their investigation should come forward.

This will be a testing time for everyone in the school community and we must support each other as much as possible. I reiterate my offer of yesterday to provide advice or counselling to any parents or students who require it.

John W. Weeks
Headmaster
