Dear + Phillip

At tomorrow's meeting I will need to report briefly on my visit to Dalby.

In addition you may feel it appropriate to discuss the situation at Sunnybank which I briefly outline below.

Last week I passed you a note about the paedophile accusations about a man named RED RED who was a CEBS leader in Sunnybank at the same time as John Elliott right up to my time there as Rector, when I terminated his involvement.

As a result of the revelations last week about John Elliott and the pastoral letter which was read out in Sunnybank on Sunday, a number of parishioners who were at the Annual Meeting of the Parish on that day began to compare notes and share their long suppressed suspicions and fears. I understand that there were a number of teary people around.

One of them who teaches with Lorene spoke to her on Monday. They have also spoken to the Rector, Michael Ingall. Michael rang me today to ask if I would be willing to come and speak to a support group they are putting together in an informal way.

I would be willing to do so, and could go there on the 10th March. Would you think this would be ok? I suspected, there could be more boys who have been victims over the years, who now in their late 20s are showing difficulties.
