

Please prepare a letter for me as

Thursday 23<sup>rd</sup> June 2011

A DPP *confirming receipt and stating that the matter will be reviewed*

Dear DPP

*by a senior member of the Office. Further, that they will be kept informed.*

We are writing, as the group of parents to seven children with disabilities whom we believe have been sexually abused by <sup>CDF</sup> [redacted] their former school bus driver. He was arrested in August of 2010 and his case is in the Christies Beach court currently adjourned to July 26th.

CEH [redacted]

We are writing to you because we have heard from the Police that the DPP is considering dropping the charges against <sup>CDF</sup> [redacted] and we request that the DPP reconsider.

We believe that there is a case to be heard.

We also believe that if this man walks free without even a trial, that he will go on to harm other children.

The dismissal of these charges will mean that he will not be prevented from driving another school bus, or working with children in any another capacity.

We would also like to know, in writing, why (if) these charges are to be dropped.

We also request that the DPP appoint the Deputy Director, Mr. Kimber, or another senior prosecutor to the case.

We make these requests as the voices of not only our most vulnerable children, but as the voices of disabled children across Australia. Please, let this man answer these charges.

Yours sincerely,

*Tom,*  
Please note and  
place on the file.  
Your view is obviously  
one we will have to

*discuss when you  
come to me.*
