

① Can't say too much because you're not expert (w) - cannot be seen to influence <sup>influence</sup>

② Agree to what you've been told subject to inspect  
- There is a incident that I will like to

- Relates to CEN + CEH

- We were asked for more info because of use on grounds - we want to

But - there is a catch

③ - Must call out the (w)

- A jury cannot witness or put into context

Explain (H)

④ ~~Minimum~~ : (i) can (w) by give and

But

Can use in some circumstances the person (you) to say what you were told

⑤ Minimum : (i) Before you can say what you told by child

- (i) child must be available to be cross

(ii) " " know diff how put + use + be able to  
appear that to Judge

(iii) can

∴ we must be able to say : you have told us

- (i) He can give and

(ii) you will not let him be cross of Judge  
say cross is appropriate.

25/7/11 • CEP CEO - i V B + IDP - Steve Allen answers etc

- Agree Re TIME ORA drops but - 1 ORA input - with firm in principle,

(i) Can't discuss facts or evidence: can't comment or put you in position who will be signed off has been.

(ii) Change M.N. + 1 ORA - (linked to each ORA: 1 set; Several Act.

(iii) Need most evidence to <sup>give</sup> <sup>able</sup> <sup>to</sup> give evidence. : available / capable.

(iv) Will try give evidence

: Truth / Lie

: XN

- available + capable

: XN

May not be asked questions - but what happens but just this is wrong. - may not be my XN but firm or correct of the way be.

(v) If decide not to <sup>give</sup> <sup>to</sup> give answer - Confused. I want to see ORA parts - let us know in the week.

(vi) Don't + capable / Give copy

but I want to raise a charge. No contact would proceed but with caution.

(vii) If Judge says: Not satisfied Re will be able to call him for call parts / take in Re what he said. Law is very real (F) all, but, that continues apply.
