

APK30

Friday - meet with parents of ^{CEH} - S Albon, IP, VB and Nina 25/11

- Given proofing with ^{CEN} is such that we won't be able to call him -
No reason to proof ^{CEH} re the incident involving ^{CEN}

IDP to review evidence over weekend to see if any other charge could be laid
although I express reservations about this occurring.

(signed) 27/11/11
