Hi [CDX]

Justin is on leave at the moment, so please email me if you have any further queries.

I attach a copy of your evidence in chief and the cross examination.

There is no problem with your parents reading the transcript but you can't copy it or give it out to anyone (though of course you can print out a copy from this email).

I hope uni is going well.

Kind regards,

Hey Justin,  
 Thankyou for sending through that information to me, if it's cool I'll get the copy of my own evidence and my cross examination. In regards to the full transcript can anyone read

it such as my parents? Or is it just me ( as you can probably already tell my parents are taking care of future possible civil legal litigation)

Thankyou again,

CDX

For legal reasons we are restricted in the transcripts that we can provide to you. We are not authorised to provide you with a copy of the transcript of the trial, nor the evidence of Mr CDV including his cross-examination. I can however provide you with a copy of the sentencing part of the transcript and that is attached to this email.

The whole of the transcript can be inspected by appointment with this office if such an inspection is required for the purposes of civil litigation. In those circumstances a written undertaking is required by anyone inspecting it that the inspection will only be used for that purpose and no copies are permitted to be made.

As I have said previously I hope that this doesn't all sound unduly obstructive but we are constrained by statutory obligations as to what we can release. You haven't asked for it but we could also provide you with a copy of your own evidence and cross-examination if required so just let me know if you need that.

In the meantime I hope that all is going well with you and your University studies.

Best wishes,

Justin Whalley

Hey Justin, just wondering if you could please forward to me a copy of the transcript of the trial for my records and so that we can assess what we may be able to do in regards to possible further action

Also, am I allowed to have a copy of the transcript of the evidence given, and the cross examination of CDV (25/6/2010)

I would like a copy o the transcript for sentencing if that's possible (3/9/2010)

I would be great if you could send it to the email account; [REDACTED]

Thankyou so much for your great work in the case, and for securing such a positive final result.

Kind regards,

CDX
