Dear CJP

REQUEST FOR PSYCHOLOGICAL SUPPORT

I have received your letter today and I note your ongoing anguish in respect of CJE's forthcoming appearance as a witness in Adams' trial in September. I decided to answer immediately in an effort to assist you to deal expediently with the situation. To that end, I am in agreement for the Commonwealth to fund psychological counselling with REDACTED as your preferred psychologist. I trust that the professional care helps to relieve some of your current tensions and depression. I must explain though that the opportunity is time constrained and that I would only accept claims for counselling until end-October 2015 or when the trial matters are concluded. I rely on you to advise me accordingly. At that juncture, the Commonwealth commitment must cease and responsibility be transferred to NSW Health. I hope you consider this to be a fair decision.

In respect of CJE's well regarded service as a cadet, the Officer Commanding 3 Wing will be requested to recognise it appropriately in December.

(After receiving counselling, please pdf REDACTED's invoices to: Sergeant Ron Koenig, Cadets Branch -Air Force @ REDACTED)

Yours sincerely
