Was just wondering if you got my email that I sent on the 30th of November. Just waiting for a reply thats all.

I'm sure you get hundreds of emails a day, was just curious if anyone was going to come all not as it is this Thursday.

Thank you,

CJE

Evening,

Sorry about how I spoke to you on the phone a couple of weeks ago, just had so much bottled up rage and disgust against defence, I should've not let it out on you.

Just a suggestion, and would be a lovely gesture, if you or someone from CB-AAFC would come to the sentencing in Newcastle on the 17th of December (may also be extended out to the 18th as well) and hear me and the other 2 girls victim impact statement. Just so you guys can get a holistic image of how much it has all impacted us, because the way the AAFC dealt with it has contributed to it more than what you can imagine.

It would also give us some sort of feeling that we are still supported by you guys, because our faith in cadets was strong.

Someone that isn't just an assistant but maybe someone that has a main role, even the CDR of AAFC would be great.

Just a thought.

Thank you,

CJE
