Notice of Suspension

Dear FLTLT (AAFC) Oakley,

I have received this evening a complaint alleging you may have engaged in unacceptable conduct with a cadet.

The allegation, if proven, would indicate you have contravened the code of conduct.

The matter is now the subject of an investigation by the AAFC.

While the investigation is proceeding, and *without prejudice*, I am suspending you from your appointment as an Officer of Cadets.

I stress that no finding of guilt attaches to my decision to suspend you.

You are to be offered all appropriate support during your period of suspension.

In particular, you are encouraged to call upon the services of the Wing Psychologist, FLTLT (AAFC) Bob Hajduczok.

Yours sincerely

J.A. DEVEREUX
