G'day John,

1. I acknowledge and agree with your concerns.
2. We go back to Mr Oakley and only answer his questions. Yes - the suspension is indefinite based on the length of the QPS investigation. No - he is not eligible for legal aid or assistance from the AAFC however he may be eligible to speak with RAAF Legal as a RAAF Reserve member.
3. As for updating the member, DCDTADMIN-AF will do this at the 90 days' mark when we may need to extend and to elevate the suspension to the DG. The update will only ever include the statement that 'CB-AF can only advise that the matter is with the QPS'.

+ please advise Jacqueline of the actual suspension date last month

*Cheers,**Murray*
