Steve,

As per our previous discussion, I regret I missed the second part of your e-mail below as to the relationship between a civvie staff member and an adult cadet.

This is most serious.

I need to refer the matter to the CDR and DG.

I will do so immediately.

All the best
JD

Sir,

I will let Courtney know .

FYI CUO [REDACTED] is 18 and CIV [REDACTED] is 21.

I will review the SCAP Package

Steve

Dear Steve,

I think we need to broaden the Terms of Reference to include information now provided to you by Michael Avery.

Can you also review the SCAP trg package to check whether we should also be advising child protection or other agencies?

All the best

Sir,

Another issue raised at 221 SQN

Your advice on this one

I also had a call last night from Michael Avery. He has told me that CUO [REDACTED] contacted him last night and told him about the complaint she has made. He has also told me that CUO [REDACTED] told him in December 2013 and there is more issues other than what has been raised. I have told him not to tell me at this stage and we will await for the IAR process.

Regards

Hi Ali,

I need to get some more information on the matter below.

Could you please check with Kris and advise:

1. The age of the cadet
2. The age of the civvie staff member
3. The role (at the time of the relationship) of the civvie staff member.

Many thanks for your help.

Kind regards
