Chris

As you are aware a complaint was lodged regarding your behaviour at the last promotion course held at RAAF Wagga last January. A Quick Assessment (QA) was conducted and as a result I have now directed that an investigation is commenced with respect to the complaint.

I have tasked SQNLDR(AAFC) Banfield, XOS, to conduct the investigation with the assistance of SQNLDR(AAFC) O'Donnell, SOGT 3WG. Attached is a copy of the terms of reference (TOR) for the investigation.

Because of the seriousness of this complaint, you are now suspended from AAFC duty until the investigation is complete. This is not a measure of your guilt or otherwise in this matter but a risk management strategy. You are not permitted to attend home parades or any AAFC activity during the period of your suspension.

I have asked the CO 308SQN to provide any assistance to you. Should you require any other support please communicate with SQNLDR(AAFC) Banfield.
