Sir,

Acknowledging the receipt of this message and the enclosed instructions to cease further investigation of the matter.

All of the records that I am holding are stored in a secure location both electronic and paper copies. These, on request, can be accessed by the NSW Police or others pending appropriate levels of approval. I believe that at this point I am in possession of all materials associated with the QA and introductions in the Inquiry, this includes the material gathered and recorded by SQNLDR(AAFC) O'Donnell.

I will continue to maintain contact with the parties involved, both complainants and respondent, in the interests of ensuring their welfare and support networks are in place and actively providing assistance to those involved. As it is possible the Police investigation could take some time it will be important to monitor the situation at local levels. I will also utilise FLTLT(AAFC) Hargraves in the overall support process.

I will await further advice as to the continuation of any AAFC proceedings.
