CWIFF CJE

Good afternoon.....I am well thank you for asking.

The update on the reported incident from July promotion course is that I have made some preliminary enquiries about your reported matter and have a number of other witnesses to be interviewed about the incident. At this stage there will be a couple more weeks of effort before I can reach a conclusion to the incident.

I note in your email that you are asking about the incident reported in May. Have you not had any communication or feedback from other staff on that issue? I was of the understanding that PLTOFF(AAFC) CJE was dealing directly with CB-AF about that matter and would have expected she was keeping you updated. Should this not be the base then let me know and I will move to talk to you directly about the matter.

Obviously the AAFC does not want to impact your HSC involvement or more widely your wellbeing so if I can help with clearing issues up then I am happy to do so.

Sir,

Morning Sir, how are you?

Just haven't heard from you in a while and curious as to how the investigation with WOFF (AFC) Barr is going and what progress has been made. If you can please update me as much as possible as to what is going on as I am also worrying about my HSC as well as the other investigation in regards to the allegation made in May.

Thank you,

CJE
