## CB-AF POINT OF CONTACT - CWOFF (AAFC) CJE

1. I am writing to clarify my role as your point of contact at Cadets Branch – Air Force in respect of the LAC Adams' incident in early 2013.
2. I have reviewed the correspondence available to me and I have identified that your mother (CJO ) has been responsible mainly in raising matters with this office on your behalf. I also note that as an adult you indicated in your e-mail of 13 August 2014 to Wing Commander Topp, a preference for direct communication between Cadets Branch and yourself. As a result, I will cease communicating with and responding to third parties regarding matters that are private to you. Future correspondence will be directed to you alone and I will only respond to requests that come directly from you in respect of personal matters that pertain to you. You are of course welcome to share my correspondence with any party of your choosing. If you wish me to disclose this correspondence on your behalf with another third party, please provide consent via the form enclosed.
3. I look forward to any further correspondence that you may have on this matter however the fact that the complaint is now sub judice will limit my commentary in some subject areas. Plus that judicial activity should start to bring closure to a lengthy and unfortunate episode.
