Sir

Will do. I have received notice today that the investigation is being passed to Wagga Detectives and not to expect a quick finalisation of the matter. As both girls are safe, there is no urgency for them to conclude the investigation.

Wayne

I have initiated a request for urgent support to LAC Adams and his wife from Defence in line with the recommendation you provided across the phone from the AAFC psych last evening.

I have requested that as soon as that Defence support is in place that I be advised. I will then inform you.

Until that time, I recommend that you hold on passing further information about the investigation by NSW Police to LAC Adams.

I have chased up Bev with an email. She hasn't replied as yet. I will get it to you as soon as I receive it. Once I send it to you I will then inform LAC Adams. I am happy to do it differently should you advise.

Okay

You indicated you would send something to me from Bev relating to the need for Psych support beyond the scope of this matter for LAC Adams and his wife. Has Bev provided you with that document?

I have held off this as suggested until we can have support arrangements commenced.

I forgot to ask last night.

Did you advise LAC Adams of the referral of the matter to NSW Police? His reaction?
