Sir

He was appointed as an ADF Auxiliary Instructor in QLD before transferring to Williamtown. The details are in CadetOne but once he was appointed as an Instructor he was given a second CadetOne entry. The one for his ADF Auxiliary appointment was removed from CadetOne recently. Paul may be able to recover that information and will speak to him when I can speak on the matter of the Camp Reports. His personal file only shows that he made application to be an ADF Auxiliary Instructor but has no dates of appointment.

We have details of Adams time as an AAFC staff member in Cadet One with his appointment on 1 Jul 12.

My understanding is that he paraded with the AAFC for some time before that date as an ADF auxiliary/applicant while his paperwork was processed.

Can you confirm details of any earlier involvement?

Dennis
