Sir

I have obtained the following original documents:

Statement of Commitment and Compliance;
RI showing appointment to AAFC as an Instructor (copy only);
Certificate of completion 'Defence Safeguarding Children Awareness'.

I have just received a whole range of documents relating to the Staff Initial Course he attended. I am leaving for Wagga in the morning and will put that together when I return.

I have also received the AI, JI and Detachment Executive Instructor Standing Instructions for the January Course. I have been unable to find anything in those documents that would assist in proving to a court the duties of the positions. I have to get onto Paul Gregory regarding access to the Camp Detachment module in CadetOne. No one in the Wing has access to the information once it has been closed in CadetOne. It is supposed to have all the documents attached to it.

I do not believe there are any 'duty statements' as such.

Regards

As discussed, I request you provide all potential evidence related to LAC (AAFC) Adams and the training he has received.

8/06/2016

This should include the Statement of Compliance he was required to sign when joining the AAFC as per Interim POLMAN PT 2 CH 7 para 4.

In addition there will be evidence related to him completing the Staff training courses, and the annual behaviour policy.

We also need the duty statements or something like that for the role of LAC (AAFC) Adams, and the Cadet Under Officers and Cadet Warrant Officers on the course in January.

Any other supporting documentation please have scanned and sent to me. The originals should be preserved as evidence.

Please advise me as soon as possible when this information will be available.

Dennis

Statement of compliance

4. To ensure that all AAFC members understand, acknowledge and accept the behaviour that the Chief of Air Force expects, each cadet and cadet staff member is required to sign the relevant statement of compliance at annexes A and B respectively before they can be accepted as a member of the organisation. The Statement of Compliance for cadets includes an acknowledgment by the cadet's parents or guardians. Refusal to sign the Statement will result in an unsuccessful application.
