Thanks Wayne.

Request you task Doug with preapring statement with the position descriptions.

The interview will likely reinforce the relationship between Instructor of Cadets and cadet staff.

Sir

I would expect that the police will require a statement from Doug DeCean who was the DETCDR as to the duties. I would also expect that they would obtain the statement. Even with position descriptions they would still obtain a statement themselves. If nothing comes out of the CadetOne docs then we could get Doug to prepare a document and send to them. I still haven't heard anything about getting access to the CadetOne Camp Module.

If we do not have position descriptions for the camp do you think the police would accept a sworn statement of the duties?

Sir

Attached are documents as requested. The annual behaviour training is entered directly onto CadetOne by the member conducting the training.

Adams Docs.pdf

1. RI showing appointment to AAFC.
2. Signed Statement of Compliance.
3. Certificate of completion - Safeguarding Children Awareness Package.

Detachment Staff Final 2013.xlsx

1. Full list of staff and positions on Course for January Promotion Course.

Staff Info for Jan 12 Staff CSE.xls

1. Training Programme, List of staff & Subjects and list of students for Staff Initial Course at Wagga, Jan 2012.

Course Results-SICCSE BWS 1_12.xls

1. Course results for subject 'Society & Legal' for Jan SIC.

Society & Legal Instruction 0 Jan 12 - Wag

1. Email from FLTLT(AAFC) Colin Palmer, S&L Instructor, outlining coverage of 'relationships' on the course.

I have requested through DCDR to David Read, access to the Promotion Course Module in CadetOne to look for any other info I can as all documents are uploaded to that module from promotion courses. Not sure if that is possible at this time.

I have also requested information on LAC Adams appointment as a ADF Auxiliary Instructor which I believe was completed in 2WG before he was posted to Williamtown.
