The NSW Police had requested information about the duties of LAC (AAFC) Adams and Cadet WOFF CJE at the AAFC camp in January. As there were no formal duty statements, the AAFC Detachment Commander was requested to provide the required information. This action was delayed while the detachment commander was overseas on holiday. The requested information was provided to Cadet Branch on 2 Aug and sent to NSW police that day.

I understand that NSW police intend to interview LAC (AAFC) Adams.
