Dennis,

Just a quick update as to the status of the investigation regarding the matter of Christopher Adams.

As I think I indicated to you on the phone the last time we spoke, ADAMS is subject of another investigation being conducted by Central Hunter (Maitland) Detectives. I am liaising with the Detective in charge of that investigation as it is quite likely that some of the information he obtains may well assist my investigation.

With regards to my investigation, I am just waiting for a transcript of the interview I conducted with ADAMS on the 25/9/13.

I have also obtained some other records that I am in the process of auditing. These, along with the records and statements that I have already obtained will form part of the brief that I will be submitting for a legal advising.

I am going on annual leave for approximately two weeks from tomorrow so when I get back I hope to have these outstanding items so that the brief can be submitted.

In any case I will give you a call when I get back to discuss the matter further.

Regards

Brent Fletcher
