No further update at this time. We are trying to hold back on any action while awaiting the end of the HSC exams for the female cadets. The suicide of the cadet WOFF last week was a major issue as he was on course at Wagga with CJE and was well known to many cadets.

Hi Sir,

thanks. I wouldn't say he is featured but his photo accompanies a story. I was out of the clearance process last week as I was acting SOCAF.

However we will use this as a lesson learned to inform future clearing of RAAF news articles.

Did you happen to have an update on the matter?

V/R,

Barbara Courtney

For info,

One of the AAFC support involved with the LAC (AAFC) Adams matters has provided adverse feedback that LAC Adams is featured in the latest RAAF News - page 6.
