Hi Sir,

CDF's office has not given me a copy, just a heads up that it has come in. I expect it to come to us shortly and I will pass it to you straight away.

Kind regards

Cath

Sure Cath.

Will get a quick update today.

Is it possible to see the letter written to CDF? CJO had indicated her intent to write to CDF about a number of issues including my decision not to provide private counselling support for the cadet's step father (the cadet lives with her father and not with her mother and step father).

Sir,

The mother of the cadet in the LAC Adams matter has written to CDF. I have suggested that CDF's office send it to Air Force to prepare a response for CDF.

I know you are absolutely on top of this one - would it be possible to have a quick update on current status for my SA?

Kind regards

Cath
