PROFESSIONAL STANDARD COMMITTEE
P.O Box 494 Newcastle NSW, 2300, Ph: (02) 4926 3733

Dear Bishop Brian,

The PSC has determined pursuant to s34 of the Professional Standards Ordinance to refrain from further investigation of the information lodged by REDACTED

However the PSC was concerned that the information disclosed serious breaches of Faithfulness in Service particularly in the areas of observance and discernment of boundaries issues and imbalance of power issues.

In accordance with the Professional Standards Protocols 2013 the PSC has advised Bishop Peter Stuart of these breaches of Faithfulness in Service and recommended that before any appointment is made in this Diocese these matters be discussed with you and that he attach such conditions and safeguards as he may consider appropriate to any appointment.

Yours sincerely,

Geoff Spring

Chair PSC
