INCIDENT: REDACTED - Some guys carried him in to Y10 dorm & started rumber for being smart. I started giving him a few rucks in the thigh when DFC gave him a wedge. His undies broke he threw it outside side and they carried him outside. REDACTED was still making smart comments CLB then suggested to get CLB because CLB got CLB last night. I think he put shaving cream or toothpaste on CLB. I helped carry his legs in I put him down and CLB got on top of him. Someone grabbed REDACTED towel and CLB was showing it in CLB face. Then DFC was putting shoe polish (liquid) on CLB face DFC was holding his legs. Then DFC took his school pants off. I helped a bit. DFC then threw his pants outside. Then we all got off. CLB went out came back in with a blow of wood and said something about it I don't like it. Last night was only hint???
