INCIDENT:  
 At Recess in the boarding house Dorms ~~CLB~~ after previous incidents with <sup>CLB</sup> a few year ten guys decided to get some payback because this incident wasn't unprovoked. The Yr 10 guys held down <sup>CLB</sup> and put shoe polish on his face (a line across his forehead). I was holding his legs and we then pulled his pants down as a joke to embarrass him for all the other incidents. Then <sup>CLB</sup> came back at us swinging a piece of wood yelling swear words and trying to hit us with the wood. <sup>CLB</sup> thinks that he can get away with putting toothpaste on <sup>CLA</sup> face, paying me out about being a <sup>REDACTED</sup> since the start of the year and shipping his mouth off a everyone and not expect anything to happen to him. He can dish it out but can't take it which really annoys me. He says too much and he gets himself into trouble, we tried to tolerate it and ignore him but it's hard to do when you live with him.
