INCIDENT: REDACTED CLA REDACTED DFC REDACTED DFD REDACTED

ran into year 7/8 dorm trying to grab REDACTED. On  
hearing the noise I walked in and told all the above except  
REDACTED to leave the dorm.

Then I heard that REDACTED had been bullied.

After some time CLB was taken into yr10 dorm, I did  
not witness this. Some people crowded around the dorm.

Inside the yr 10's DFD CLA & DFC  
had CLB on the ground. After 5 mins CLB came out

of the dorm clearly upset, his pants & shoes were lying  
in the hall CLB ran to his dorm very upset, clearly not

in full control of himself. He ran back into yr 10 dorm with  
a piece of wood and started screaming at the yr10's, some  
year 11's stepped. He was stopped by some year 11's after he

ran and was pushing and being held by the yr11's. CLB  
ran to his own dorm where he lay very upset, refusing to  
move.
