

DIARY!

I had another argument today, 2 infact. First it was it was ^{DFB} I just dont understand why I get on bad side of so many people. It is probably what this P has turned me into. People here think I should stick up for my-self? and when I do, they just hold grudges against me.

I feel they can't accept me for who I am, I wish this like this never happened, the way they pick on me but I choose not to defend myself, yet when I do incidents the ones today happen!!! WHY? why cant they just respect me for who I am. why do I have to accept the way they pick on me? Is it because I dont react? Or am I the "Dorm" joke? Sometimes I feel that way.

WHAT SHOULD I DO, WHY DID I COME HERE, ALL I WANT IS A FRESH START!!!

i feel like killing

I CANT TAKE ANYMORE, THIS CHANGG IN ME

I suppose I should just apologise for what I did, and act like the pussy.

is DERRESSING!

I HATE THIS SCHOOL
