CLA

REDACTED

Dear ^{CLA}

Further to our meeting on 11th February 2001, I am writing to confirm what I said to you in person; namely, that I am personally very sorry and apologise for the way you have been victimised in the Boarding House.

When we met, I mentioned how much I personally admire the strength of character you have shown during this difficult time. I would like to reiterate those comments in this letter and to also thank you for the personal friendship we have been able to share during the time you have been at Trinity.

CLA I am confident with this matter now behind us you will be able to fulfil your undoubted potential in whatever endeavour you commit yourself to and in this regard I pray that God might direct your future path. Please do not hesitate to keep in touch with me if I can be of any assistance in the years to come.

Yours sincerely,

Milton Cujes
Head Master
