Hi Pen,  
 Current draft ... I still have a few Branches to go .. but this is the shape its taking... I hope you like it, and that importantly, that it accords with CHILDWISE's standards.  
 I will have the FINAL ready I hope tomorrow... will send that to you when I'm done...  
 All the best – feel free to comment back to me as you like... but I'm pretty sure we have gone harder (and nailed certain areas even more stringently) than even the original draft... I will be working on it more tonight...
