Dear National Risk Management Team (and observers),

Please accept this courtesy email with the attached FINAL DRAFT (June 16 NEC) National Child Protection Policy and the 1st CONSULTATION DRAFT of the National WHS Policy.

Of course, Policy is a 'living' thing and will require amendment and enhancement over time, but I felt it important to give you **your** copy of the combined efforts of our team to reach this point. Norma has it for distribution to all NEC members for the June NEC meeting. We are greatly indebted to Penelope McEncroe for the excellent start-point she provided from CHILDWISE and to you all for your very valuable input to this important work. Of course, Penelope has also 'steered' us along the journey as well, and the current version is the result of a great many inputs from all Branches and functional areas of Scouting. So, a real 'Scout document' developed in conjunction with an 'external' partner – which was our goal.

Warm Regards  
dan

Warm Regards and thank you all for all the support and input you have given to our Policy work.  
dan
