Hi Dan

Sorry I missed you on Friday. My meetings all went over time and I was behind all day.

I have reviewed the final policy document - it really is excellent and you should be proud of the great work you have all done.

There are some minor tracked changes in the attached (eg. Child Wise not Childwise, and the issues that a disclosure can come in all forms) and I have also added the information and links for the new Vic Laws in the tables at the back.

Happy to chat further, and also I am really keen to talk to your leadership team ahead of the launch of this new policy.

Many thanks

Hiya Dan

Sure happy to chat but I'm in meetings until 3.30pm today. Can we talk any time after that?!

Cheers

Dear Penelope,

Do you have time to chat today to discuss the Policy as it now stands.

I do hope that it continues to accord with our original intent, although I appreciate it is a different document to when we first started (for the better I think).

We held our National Risk Management Meeting (teleconference) yesterday, and although I wasn't swamped with positive comment, there were no major dissensions to the direction and our 'stringent' best (rather than second-best) practise. I hope you agree that that is the case.

Dougal, happy to take comments from you too... I know you were busy yesterday with matters of State – our meeting went well yesterday.

Penelope, I am in meetings unfortunately all morning, but could talk at lunchtime if you are free then?
