Dear Mr Bendle,

RE: ADDITIONAL CONDITIONS ON PROVIDER APPROVAL

I refer to the additional conditions imposed on the provider approval for the Young Men's Christian Association of Sydney (YMCA NSW).

I acknowledge receipt of the materials required by the additional conditions. On this basis I have decided that the YMCA NSW has complied with the requirements to provide the information and am rescinding the conditions. A new provider approval is enclosed.

Although the additional conditions have now been removed from the provider approval, it is important that the YMCA NSW continue to work with the Department on the substance of the commitments given to the Royal Commission into Institutional Responses to Child Sexual Abuse and rebuilding community confidence in the organisation's ability and commitment to function as a child-safe organisation. I have written to the President of the Board regarding next steps in addressing these priorities from a regulatory perspective.

Should you have any questions about this letter, please contact Karen Gleeson, Principal Investigator, Quality and Compliance, Early Childhood Education and Care Directorate, telephone **REDACTED**

Yours sincerely
