To whom it may concern;

I attach the current Child Protection Policy for Yeshiva College. The policy includes four parts and has been reviewed and upgraded this year. In addition, current staff have all reviewed it together in four staff meetings. They signed off on each new part as it was tabled for discussion.

This new policy has been included in the updated version of our Staff Handbook which every teacher signs off on upon being employed.

In addition, volunteer and substitute teachers are given a copy of the full policy to sign off on before entering our classrooms.

I have also taken the liberty of attaching our workbook used for overnight camps. Before camp counsellors embark on supervision of campers, they are required to go through training about child protection which is relevant to the camp setting. The attached workbook is used as a basis for this training.

Please feel free to contact me regarding any other information.

Sincerely,

Gavriella Aber
