Welcome to the Orders Instructions and Publications (OIP) Portal

The AAFC is increasingly turning to electronic publishing as a cost-effective alternative to print and means of rapid updating and communicating information to all personnel, including those in remote locations. This portal provides access to all Orders, Instructions and Publications (OIP) relevant to the AAFC. AAFC OIP is constantly being reviewed and rewritten.

Please Note: These documents are online (intranet web pages) to ensure you always have access to the latest version. Copying, printing or otherwise storing the whole or any part of these documents to keep them independently as a separate copy for reference could result in you using an out-dated information.
