Howdy

Sorry I had not seen the attachment from my phone: this is a ridiculous request for something so old, and which has already been settled in court.

I think it might be time to engage a suitable legal agent to respond – they are going to waste a vast amount of ashram staff time for no purpose.

Hari Om Poornamurti,

We have received the Summons to Produce Documents from the Commission as has Bert's company. We'll talk with him in the next few days regarding the P&P documents. I've emailed Atma regarding Rocklyn's summons. As she is in India I'll also email Shubhatma who will be able to start on the Rocklyn end especially regarding their P&Ps.

We'll set up a spot here to start digging through the documentation here. Let us know if you're up for some paper sifting and we'll warm up a cushion for you. Atmaratna is welcome too, there'll be a bit of sifting to do. :)
