Hari om Secretary,

I recently received a form from Social Security to be personally presented at their office on Jan 27th. otherwise payments of Benefits would be discontinued. I sent the form back today with this letter :-

Dear Sirs,

Please note that I am unable to present this form personally at your office in Gosford, as I am temporarily in Darwin and will not be returning to Gosford until mid March. If you wish me to come to your office at that time please notify me at the above address. (Melak, Darwin).

As I only received this form in the past a few days ago, I am unable to return it by the due date. Hoping this will not alter my payments of Supporting Parents Benefit, I remain, etc.

Also please find enclosed cheques from

APT

↓ myself,

Hari om Test sat,
