How are you feeling today?  
Feel sad you took me out of school.

Why?

You put me with Disability Trust and a great defeat has come.

How?

I lost the good feelings I had, Now I have nothing to look for. Just get me to school.

Do you forgive me (Nod and approx yes)

Is there anything else you want to tell me.

Get Royce even if I testify.

Did you hear us speaking? (Wendy Warburton)  
5.4.2012 Morning  
9.30am

Yes.

That means you have to face up to him and give evidence

Know that.

The police need to be very sure about their facts, have you told them everything?

No I tried to get you to.

Well you have to outline it so I can write it down. I did not write it down yesterday.

Royce terribly got my hand and put it on his penis.

What did you do?

Felt distress and found it hard and scary.

Then what happened?

He told me you really like him, know you did. I just let him.

Let him what?

Hold my hand and let him be feeling good.

It doesn't tell me what happened - be feeling good for you or be feeling good for him?

For him.

Then what happened?

He tried to stick it in my good shut mouth, know, have feelings, real hatred not for Royce, bastard.

Then what happened?

Got upset, tried to get away, he stopped.

How did you try to get away?

Tried to get up safety out of Toilet

Did you?

Yes

Where you safe?

He really felt bad zero know he liked me.

Why? Know he asked you for relationship, was there,

What did he say? Forget, you were glad he was interested.

I did not know what he was doing, do you forgive me? I have love for you

Feel cranky, try to forgive  
I love you too. I thought he wanted to be a  
friend. I was glad someone wanted to be  
a friend.

Mum know you tried for good.  
Get Royce <sup>(CIE</sup> 5 words)

Why do you use the words 'good shut mouth'.  
He tried to put it in my mouth, felt fear,  
cranky he did.

When did this happen?

Terrible centre after he asked you for  
Wednesdays.

Was it after school or another time

Holiday

What was the activity? Do you remember  
no, it was lunch at the centre, felt  
dreadful.

Anything else?

No I like lessons.

Did he ever use force on you <sup>CIE</sup> ?

Cranky you asked that he did not have  
anger, he was decidedly gentle.

No more

Is that it?

He wanted you to know he got into Interchange ask Sandra.

What did Sandra say?

Good idea great you give the days you are available and I will tell Interchange safe to have you. She said Dale was the new supervisor arrange it with her. Any thing else?

No

Is this the truth.

Yes. Sandra meant well. Royce said thanks, said could <sup>get</sup> you to have him come. He told you so you would know he could come.

When he told Sandra he was friends with you - - - - -

Yes Sandra said he seems to know you mean <sup>OE</sup> business.

aggressive in discipline not letting me go out with Justin on bus. He kept me at centre, he went with Justin. I was with the girls. Royce said I was very bad for not agreeing to do as he wanted, bad things in toilet.

Which was giving him come by hand masturbation. You refused?

No I gave little help. I pretended to not be helpful. He got cross.

So how did he justify ~~him~~ not taking you on the bus. Did you muck up? Sandra felt I was difficult to get to comply, she felt cross. He suggested it.

Did he go out with Justin by himself?

Bus driven by Sandra. He assured the girls I would be good.

Is that it?

No

Sandra told you I did not go. Angry you felt they were fair.
