Dear Sir / Madam,

**RE: ROYCE COMBER**

As part of our ongoing investigation involving Mr Royce Comber, The Disability Trust was required to notify the NSW Commission for Children and Young People of a Relevant Employment Proceeding concerning allegations made concerning Mr Comber.

An email was sent by Mr Ryan Kiddle on 17<sup>th</sup> October 2012 which included a copy of a Relevant Employment Proceedings Notification and Summary form. This form indicated a Category 1 notification in which there was some evidence that showed the allegations may be sustained.

Further investigations with the NSW Police and Department of Community Services have found a number of inconsistencies in reports, and further discussion with the NSW Ombudsman have indicated that the proceeding can now be closed with the finding of "Not Sustained – Insufficient Evidence".

In light of the new evidence, The Disability Trust wishes to modify its position and wishes to withdraw our Category 1 notification as per instructions from the NSW Ombudsman.

I am happy to be contacted on **REDACTED** if you require any further information on this matter.

Yours faithfully,

Margaret Bowen  
CEO  
The Disability Trust
