Dear Royce

### RE: Child Related Complaint

I write in relation to a recent investigation into allegations of inappropriate behavior towards a client attending The Disability's Trust After School & Vacation Care service.

The complaint was formally investigated by Management at The Disability Trust. It included submitting both a Criminal Record Check and Working with Children Check which were both returned cleared. The investigation has now been completed and the allegation is found to be unsubstantiated.

As you are aware, The Disability Trust is required to submit details of all child related allegations to the NSW Ombudsman. The final report has been submitted in relation to this matter.

We would like to thank you for your input into this investigation.

As discussed, due to concerns that both yourself and the Organisation had in working with the client we have agreed, in future you will not be rostered to work with this particular client. This ensures that the risk of the client/family coming in contact with you at anytime is reduced and to protect you from further allegations or complaints.

If you have any questions in regards to the investigation I am happy to be contacted during business hours on REDACTED or REDACTED

Yours faithfully,

**Ryan Kiddle**
