Re: Royce Coomber, Your Reference: DJN:jw:M314442

Dear Mr. Nagle,

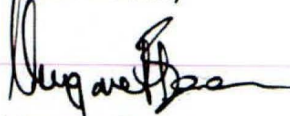

I write in response to your letter seeking information about Mr. Royce Coomber's employment with The Disability Trust. We are able to verify that Mr. Coomber's employment has been as a Casual Sport and Recreation Worker with our Nowra office. The relevant Award is the *Social, Community, Home Care and Disability Services Industry Award 2010 (SCHCDSI Award)*.

The Disability Trust issues permanent workers only with a Job Contract. As a casual Mr Coomber may have initially received a *Letter of Offer* which outlines our expectations for Casual Employees, however there is no record of this on his employee file and it may have been overlooked. I am happy to supply a copy of a generic template we currently use for such *Letters of Offer* but in view of there being no record of it being issued its relevance is questionable. The Position Description is attached.

In relation to your comments regarding your client's return to work we refer to your own letter of the 30th October and advise that the position has not changed since our email to Mr Coomber dated 18th July 2012"

In regard to Item 4 we are not able to provide this information and it would be more appropriate for you to contact the relevant government authority. We are not sure as to why you require this information as the investigation has been finalised and the matter closed.

Yours Faithfully

Margaret Bowen
Chief Executive Officer
