Thanks Ryan. I will follow up tomorrow. Are there any other issues or complaints from the family that I need to know about?

Hi Marg,

I received a call this morning from CIF, mother of CIF, who has made the allegations against our staff member Royce Comber at our Nowra OOSH service.

She requested she speak with the "top" of the Organisation and asked for your number. I explained you are away at present but would contact her as soon as you could. I asked if I could forward her onto a Senior Manager or Executive Manager or if I could help with anything urgent and she refused. She explained she only wants to speak with you, not to cause trouble but to discuss other matters.

Her number is REDACTED

We are still unsure of if the Child Wellbeing Unit or the JIRT team has spoken with the family. I will be contacting them tomorrow as the Detective in Nowra only works Wednesdays and Thursdays.

I will be in Nowra all day tomorrow and happy for you to call me on my mobile REDACTED if you have any questions.

Thanks,

Ryan Kiddle
