**Importance:** High

Hi Marg,

See below – I have received an email from Royce in regards to where we are at with our investigation. I have replied to let him know his checks were cleared and we are waiting on a response from Executive Management in regards to the next steps.

I spoke with Jess from HR today and she explained the insurance company have sent a letter to the doctor who issued the workers comp certificate with a few questions regarding the injury. They have 2 weeks to respond and if no response is given within 2 weeks, the case will be closed and no claim will be paid to Royce. Once this occurs, Brian has said we can send a letter to Royce explaining his services are not required.

Brian would like to see a copy of the letter before we send it also – I don't have his contact details so are you able to forward this to him?

Thanks,

**Ryan Kiddle**
