Hi Ryan

I called CIF in response to Marion's conversation with her regarding CIE's allocation of a Flexible Respite package and the claims she made about Royce Comber. I asked CIF whether she had any concerns that she would like me to follow up for her and she said she did have concerns that she is getting together about Royce and intends to speak with Ryan when she has this information together.

I'm not sure what this is about and as far as CIE's FRP is concerned CIF's request is for it to be provided by Interchange Shoalhaven. For your info.
