Hi Ryan,

Can you complete:

- a modified and Final Part B saying our conclusion is insufficient evidence to sustain.
- Letter to advise CCYP of same and asking for modification of our previous notification in light of further investigation
- Letter to advise RC that it is completed and the finding is one of unsubstantiated.

I will edit our Final Report so that not so much information is kept on file in view of the potential for a FOI claim. I will draft a letter explaining that we will be mindful to take a different approach to Interviewing.

Thanks
Marg
