Hi,

I am happy to support. I think it is difficult for Managers who only rarely have to deal with an investigation to follow up on this sort of thing. Having a specialist in house would be greatly preferred.

Regards
 Marg

Subject: Ombudsman training

Hi Matthew,

I have spoken with REDACTED at the NSW Ombudsman and there are a few workshops that I could do with regards to responding to Child protection allegations against employees <http://www.ombo.nsw.gov.au/training-workshops-and-events/our-workshops/employment-related-child-protection-training>
 Or there is investigation training regarding these types of allegations <http://www.ombo.nsw.gov.au/training-workshops-and-events/our-workshops/investigation-training>

I feel that the Training module "responding to child protection allegations against employees" would be the most beneficial.

Regards,

Christy Lewin
