Dear Mr. Comber,

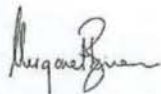

**RE: INVESTIGATION OF ALLEGATIONS AT AFTER SCHOOL & VACATION CARE -
NOWRA**

As part of our ongoing investigation involving the NSW Ombudsman, The Disability Trust was required to notify the NSW Commission for Children and Young People of a Relevant Employment Proceeding concerning allegations made against you at our After School & Vacation Care program in Nowra.

We have now completed a final review of all evidence and will be closing the matter with the finding of "Not Sustained – Insufficient Evidence". The Disability Trust has not proceeded with a notification to the Commission for Children and Young People.

If you have further questions, feel free to contact Ryan Kiddle on REDACTED regarding this matter.

Yours faithfully,

Margaret Bowen
CEO
