① The action mentioned in the letter appears to be in refusal for my taking up the matter of excess physical punishment with Capt Egry. (See my memo dated 11/4/75)

② There have been further persistent & reliable reports of excess use of physical punishment & threats towards boys by SA officers

③ Staffing difficulties have been further exacerbated by the resignation of Capt Power the best qualified & most experienced member of staff at E.T.F.

④ I have been on sick leave recently from 11/4/75 to 1/5/75 so have not been able to deal with this period
