Dear Sir,

I desire to inform you that the Rotary Club has expressed a wish to take an interest in children in Church institutions, to give them outings and to take a child occasionally for a weekend.

This meets with the approval of this Department.

No permit will be necessary from this Department, the fact that the persons concerned being members of Rotary will be sufficient guarantee of their bonafides and that the children will be well cared for.

When an approach is made to you by a member, I should be pleased if you would allow him to have a child.

Yours faithfully,

Director.
